# ST. BONAVENTURE CENTENNIAL NEWS

*Saint Bonaventure has been a cornerstone of the community helping educate and mold young minds, providing spiritual support, a sense of fellowship, and helping the less fortunate through its organizations, donations and ministries.*

## LET THE FESTIVITIES BEGIN

A lot of work has already been done for St. Bonaventure's Centennial celebration this year. The bells in the church's belfry have been restored thanks to the hard work of Robert Giannoni. He found a company that has the software but unfortunately he has yet to have the funds or time to hook it up. So each day at 12 noon and 6 pm Robert heads to the church and manually programs the bells to ring. For those of you in the vicinity nothing has sounded more beautiful. The parapets have been completely restored. The next project will be the 4 grates over the window wells on Marshfield which have begun to sink. We will then concentrate on releading, reframing and rewiring some of the stained glass windows.

## ST. BONAVENTURE PAYS IT FORWARD

St. Bonaventure has played a big part in the community since its inception in 1911. In this our Centennial year we have decided not only to celebrate our place in the neighborhood, but to recognize some of the people who have played a key part in our growth. In commemorating our Centennial the committee is recognizing people who have made a difference, through their dedication, and enriched and inspired the lives of others.

**MAY** – In honor of Nella Parenti and Josephine Fanucchi for 40 years of St. Joseph dinners, a donation of 100 dollar is being made to the scholarship fund of the Italian Federation.

This year's St. Joseph table raised \$3,500 for St. Bonaventure. Thanks to the hard work and generous donations of time, money and food. We want to thank Nella and Josephine and the Giannoni families for their continuous support.

## CONGRATULATIONS FR. HEALY

Earlier this month St. Bonaventure rector Fr. Healy, celebrated his 59<sup>th</sup> anniversary as a priest. Eternal God, please bless our priests, who represent you on this earth.

Make them more greatly aware of the grace that you pour out through them when they minister the sacraments, and help them to fall more deeply in love with you after each and every Mass that they celebrate. Please strengthen our priests, who shepherd your flock.

## CCW FASHION SHOW

At this year's CCW Fashion show the Girl Scouts of America received a donation in honor of Mary Motsch, Loretta Roscop, and all the Girl Scout leaders. It was the highlight of the show.

Mary Motsch was a beacon of light for the hundreds of girls who were members of St. Bonaventure's Girl Scout Troop 479. For most girls, their first camping trip was under the guidance of Mary Motsch and her sidekick, Elinor. We experienced the thrill of hiking in the woods and cooking our own food.

Pam Galas' granddaughter Lauren modeled a vintage Girl Scout uniform belonging to St. Bonaventure alum Beverly Sporina. It is constructed of sturdy, heavy-duty cotton. Badges were sewn on the sleeve. This uniform was worn by girls who graduated, or "flew up", from Brownies to Girl Scouts, and was the official uniform into the 1970s. Today's girl scouts wear a vest or sash for their badges with the blouse or slacks of their choice.

The fashion show was well attended with 208 tickets sold. The fashion show netted \$4227 dollars. Thanks to all who made this wonderful event possible.
